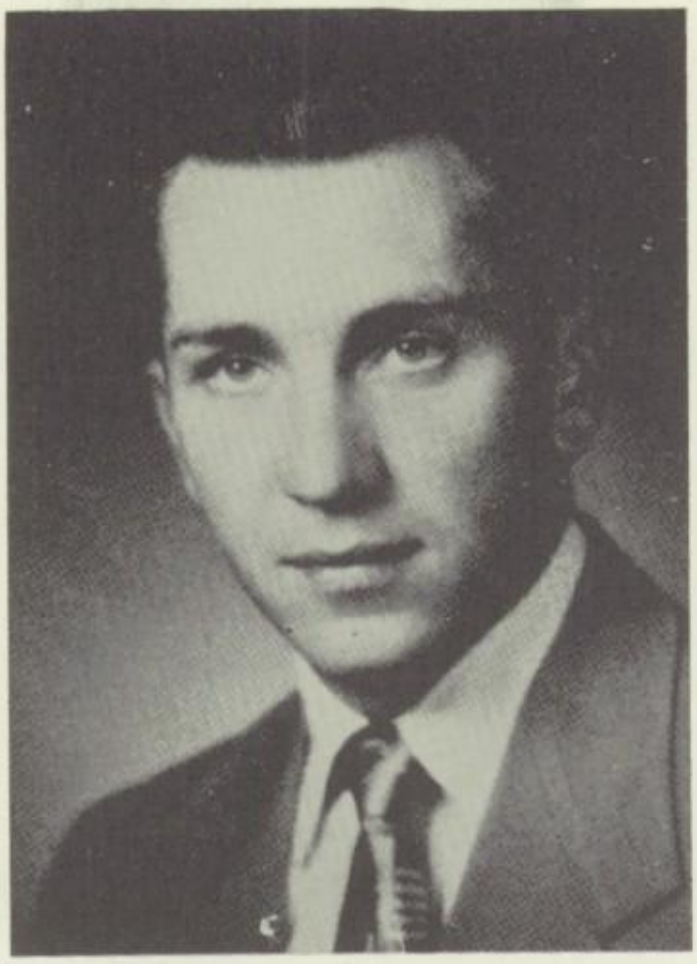
FOREWORD

How lucky we are to be Seniors in Preston High School during this year one thousand nine hundred and fifty-five. We are loved and wanted at home, and we are loved and wanted at school. All over the world we read about the unwanted teen-ager. Here in our school we are guided, guarded, and given the privileges of adults. As we go to take our places in society and business, we hope that we will display to our fellowmen the perfect results of this careful guidance and love. We will strive to be responsible citizens in the home, in the community and in the occupation chosen by us.



Dedication

The members of the Senior class of one thousand nine hundred fifty-five wish to dedicate our AURORA to our coach, Mister William Douglas Phillips, who is also our home room advisor.

During the past two years at our high school, he has established a Champion Girls' Basketball Team, which was the first trophy ever won by our school.

He teaches driver training, American history, Pennsylvania history, and civics, health and physical education. All of these help many students to success in the future.

Mr. Phillips has won the hearts of many students and parents during his teaching career in Preston High School.

Class History

After a delightful summer, we came back to Northern Wayne High, sixteen green freshmen. We were initiated dutifully by the Sophomores. For days we looked like scarecrows or something escaped from Mars but at the end we were full-fledged students of high school. Mr. Stephen Katchen was our class advisor. We shared the room with the Seniors and sometimes felt like browbeaten greenhorns. JoeAnn Taylor and Donna Doyle were chosen as class attendants to the May Queen. We passed our final examinations after much coaxing and cajoling to become Sophomores. Each teacher wondered if he could stand us for three more years.

On September 6, 1952, we returned to school in the bright and blue fall, a little more sophisticated. Miss Catherine Kuzmack our advisor, greeted us pleasantly. Our membership had diminished because we lost Mildred Ellicks. We had the privilege of initiating the Freshmen this year. The year passed swiftly. Several of us had started in band when we were in grade school and by now we were "quite musicians." Some joined choral groups, and others excelled in basketball. Our girls' team had three of its members from our class. The boys also were excellent in basketball. June came all too soon and we all became Juniors.

September 1953 we found ourselves back in Preston High School. The name had been resumed in July after the Northern Wayne Jointure had dissolved. Miss Ann Marie Holmes had replaced Mr. Harold Tesno as our advisor. Mr. Ezra Maudsley had retired and had been replaced by Mrs. Margaret Jessup as Principal. Mr. Douglas Phillips replaced Mr. Leonard Richie as coach. We have fourteen members now. Patricia Tuttle moved to Honesdale, JoeAnn Taylor came back from New Jersey, Robert Heesh didn't return at all, but Karin Bengds came from Pleasant Mount. The first exciting event was the ordering of our class rings from Dieges and Clust. They reached us before Thanksgiving vacation. Our whole class visited the Farm Show in Harrisburg and had an interesting time. Our girls and boys represented us in basketball. Our girls' team won the championship of Wayne County. Ellen Dailey, Donna Doyle, and Dorothy Rutkowski represented us on the team. In April, Miss Holmes planned a money making dance to precede the Junior Prom. In May the Junior Prom proved a decided success, the best attended and enjoyed since the beginning of Junior Proms in Preston High School. Donna Doyle and JoeAnn Taylor were again chosen as class attendants to the May Queen. In April the Seniors turned over the burden of Ice Cream, Candy and Soda to us. The year ended with many happy memories.

Class History

September 8, 1954 and we are at the end of our high school days. We have the smallest membership in the school, fourteen members, Mr. Douglas Phillips is our homeroom teacher, Miss Ann Marie Holmes our Senior advisor, Mr. Peter Lisowski, our Yearbook advisor, so you can see that we lack no help along the way. October 25, 1954 we had our Senior yearbook pictures taken by Cramer's in Carbondale. During the day we procured ads for our book. We thank all the patrons who help us each year. We held our allotted fall dances, one for September, one for Halloween and one for November. The money from dances and candy, ice cream, soda sales will help finance our Washington Trip. Because so many activities were scheduled for the time before Thanksgiving, we decided to give our Senior play in the early spring. Mrs. Margaret Jessup directed the play.

Baccalureate exercises, Class Night and Commencement marked the end of many happy years.

Class Poem

In June, when the wild flowers again bloom,
And send their scents through the room,
It makes us think of that day so near,
When we will leave our friends so dear.
This day to come, our graduation day,
We go but to meet the world's way.

Some of us may forge ahead, and do
Many things the teachers had hoped us to.
ome of us may go to college,
he larger, brighter field of knowledge.
Others may go, and proudly serve,
The country's freedom to preserve.

Soon we leave the school so dear,
The scenes familiar to us here,
The hallowed walls, the basketball court,
The privilege of entering each sport,
The study hall where we used to whisper,
The shop where the tools roused a big blister,
All contributed to our happiness
And possibly to our future success.

And so, in leaving you Preston High
The sigh a long and wistful sigh.
Our fate we take to distant places
To meet new work, new challenges, new faces.
Our sorrow at leaving is deeply sincere,
We know we shall find no place more dear.

The Secretarial Club started out this year holding its regular meetings twice a month.

On October 15, 1954 we went to Honesdale for the Wayne County Press Conference. We had a very interesting time.

At Christmas time we awarded a traveling bag to raise money for the Christmas party held at the Lakewood Hotel.

We sold cards to raise money so we could go on a field trip in the spring.
